

STATE OF CONNECTICUT
DEPT OF MENTAL HEALTH & ADDITION SERVICES

Reports Newsletter

September 16, 2011

Reports which have been published by DMHAS for the period of September 12, 2011 through September 16, 2011 are listed below. A list of reports and descriptions of these reports may also be found in the **Reports Documentation** folders on the respective reports servers.

Enterprise Data Warehouse (EDW) Reports

- **URS Table 14 - Outcomes Folder** - Tables 14A & 14B utilize the same Service Settings, Program Types, Funding Sources and LOC Types as Tables 2A & 2B; however, it filters on clients with SMI.
- **URS Table 20 - Outcomes Folder** - This report provides a profile of 30 & 180 readmissions among *Non-Forensic* and *Forensic* patients served by the State-Operated inpatient facilities. The individual Number of Readmissions for 30 days cannot be greater than the individual Number of Readmissions for 180 days.

AVATAR Reports

- **Client's Town of Discharge - Census Folder** - Detail report of clients discharged between the selected dates and which City/Town the client was discharged to. Sort Options are By Client name, Client Program or Town Discharged. Selection by single, multiple or all programs is available.
- **Demographics - Facility Program Profile Summary Folder** - This report shows a breakdown by program and agency totals of the categories of gender, age, race, ethnicity, marital status and living situation within the selected reporting period.

RMANS Reports

- **Observation Data Integrity Check - RMANS Folder**
- **Special Observation - RMANS Folder**
