Reports Newsletter

October 5, 2011

Reports which have been published by DMHAS for the period of September 23, 2011 through October 5, 2011 are listed below. A list of reports and descriptions of these reports may also be found in the **Reports Documentation** folders on the respective reports servers.

Enterprise Data Warehouse (EDW) Reports

- **Services After Discharge Date - Client Reports Folder** - This report shows all clients whose service dates are greater than the discharge date. The date parameter is based on the dates of the service for a given episode.

- **URS Table 5 - Outcome Measures Folder -** Tables 5A & 5B utilize the same Service Settings, Program Types, Funding Sources and LOC Types as Tables 2A & 2B; however, it provides a profile of clients by Funding Support, Race and Ethnicity. Tables 2a & 2B provide an aggregate profile of persons served by age, gender, race, and ethnicity.

- **URS Table 15 A B C** - **Outcome Measures Folder -** Tables 15A, 15B, & 15C, utilize the same Service Settings, Program Types, Funding Sources and LOC Types as Tables 2A & 2B. This set of tables provide an aggregate profile of persons served by the client's last known living situation.

AVATAR Reports

- **Inpatient Legal Status Detail Top 50 - Census Folder -** Listing of Fifty (50) Clients with the longest continuous length of stay in years at the selected facility. Includes the clients Legal Status and Legal Status Effective Date.

- **Veterans List** - **Census Folder -** Alphabetical Listing of Active Clients by Name, Admit Date and Program who have veteran status.

- **UM Screening Long Wait Times by Disposition - UM Screening Folder -** UM clients with wait times of 12 hours or more by disposition type and hospital.

- **RVS Team Program Services - Census Folder -** This report is used to report a monthly list of clients assigned to each team, along with the clients assigned service provider and duration of service.
