However, providers are added and deleted from our network on a daily basis. In order to verify the most accurate coverage, please contact Prime Health Services at 866-348-3887. Although contacting us directly is the most accurate means of verification, please visit our Website at [primehealthservices.com](http://primehealthservices.com) for an additional verification tool. Finally, once at your providers office, please ask them to contact PHS for any verification questions.
