

BETTOR CHOICE GAMBLING TREATMENT PROGRAMS CONTACT LIST

February 2026

Bettor Choice Programs are gambling-specific treatment programs funded by the State of Connecticut. Services are offered at more than 14 locations in Connecticut through community agencies. Programs offer a variety of outpatient services including: individual, family, group, peer recovery support, medication, and budget counseling for both individuals impacted by problem gambling and affected loved ones. All programs accept insurance.

You can speak with a staff member or find the nearest Bettor Choice Program by calling one of the providers listed below.
