

# LGBTQ+ & Gambling Disorder: A Cultural-Competency Primer

Trainer: Michelle L. Malkin, JD, PhD

March 6th, 2023 | 9am – 12pm | 3 CECs

**Individuals within the LGBTQ+ community face addiction at higher rates than the general population. This workshop will provide participants with a richer understanding of LGBTQ+ individuals (including basic knowledge of identities and terms), empirical research to understand the prevalence of LGBTQ+ gambling and problem gambling, and how to use LGBTQ+ cultural competency tools to best work with LGBTQ clients and their families around these issues.**
