

Compliant Inspection Results April 2014

The Department of Mental Health & Addiction Services (DMHAS) Tobacco Prevention & Enforcement Program conducts tobacco compliance inspections as part of an effort to stop the illegal sale of tobacco products to minors. DMHAS appreciates the dedication of compliant retailers and their staff in prohibiting the sale of tobacco products to Connecticut's youth.

Questions about inspection results can be answered by calling the toll free line at:
1-877-331-1999.

Congratulations to all the retailers that successfully passed tobacco compliance inspections this month.
