

## Compliant Inspection Results August 2008

The Department of Mental Health & Addiction Services (DMHAS) Tobacco Prevention & Enforcement Program (TPEP) conducts tobacco compliance checks as part of its efforts to stop the illegal sale of tobacco products to youth the age of 18. DMHAS appreciates the dedication of compliant owners and their staff in prohibiting the sale of tobacco products to Connecticut's youth.

Questions about inspection results can be answered by the TPEP toll free line at 1-877-331-1999.

**Congratulations to all the merchants that have successfully passed tobacco compliance inspections in the month of August 2008.**
