

Compliant inspection results for the month of August 2017

The Department of Mental Health and Addiction Services Tobacco Prevention and Enforcement Program conduct state tobacco and electronic cigarette compliance inspections as part of an effort to stop the illegal sale of these products to minors. We appreciate the dedication of retailers and their staff when they follow the law and prohibit the sale of tobacco and electronic cigarettes to Connecticut's young people.

Questions about compliance inspection results can be answered by calling the toll free line at:
1-877-331-1999.

Congratulations to all the retailers that successfully passed compliance inspections this month.
