

Non-compliant inspection results for the month of October 2014

The Department of Mental Health & Addiction Services, Tobacco Prevention & Enforcement Program (TPEP) conducts tobacco compliance inspections as part of an effort to stop the illegal sale of tobacco products to minors. Non-compliant inspection findings are forwarded to the Department of Revenue Services for administrative action in accordance with Connecticut General Statute §12-295a. Civil penalties start at \$300.00 for a first time offence ranging to possible suspension or revocation of the license required to sell tobacco products.

If you have questions about inspection results, please call the TPEP toll free line at:
