

BETTOR CHOICE GAMBLING TREATMENT PROGRAMS CONTACT LIST

September 2026

Bettor Choice Programs are gambling-specific treatment providers funded by the State of Connecticut. Services are offered at 17 locations in Connecticut through community agencies. Programs offer a variety of outpatient services including: individual, family, group, peer recovery support, medication management, and discussions around the financial impact of gambling for both individuals working to recover from problem gambling and affected loved ones. All programs accept insurance.

You can speak with a staff member or find the nearest Bettor Choice Program by calling one of the providers listed below.

All agencies provide telehealth services.
