

Certified Peer Support & Recovery Professional (CPSRP) Credential Grandparenting Process

Essential Information

January 2026- updated

Certified Peer Support & Recovery Professional Credential (CPSRP)

This credential integrates Recovery Support Specialists and Recovery Coaches under one certification, administered by a credentialing-body.

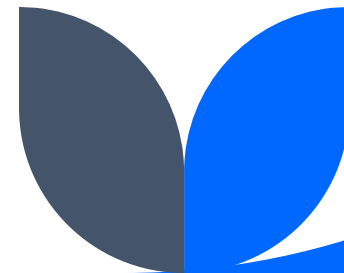

It ensures that all individuals trained by a DMHAS-approved Peer Training Organization have been taught SAMHSA's Twelve Core Competencies and DMHAS' Peer Ethics & Values (2024).

This credential is in alignment with national standards.

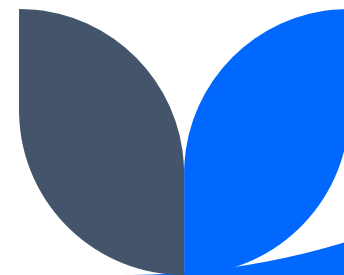

CPSRP Grandparenting

Individuals can grandparent into the CPSRP credential based on existing training.
