Please note that DMHAS-contracted recovery houses have on-site staff 24/7 and offer case management services whereas DMHAS-funded sober houses are not required to have as much staffing or services. The program cannot be both a Recovery House and a Sober House, but a sober house is eligible to transition fully to this Recovery House, if awarded. This includes the provision of on-site staff twenty-four (24) hours per day, seven (7) days a week to individuals who will simultaneously participate in and access community-based services, including and not limited to recovery supports and licensed outpatient treatment services. Please note individuals receiving Enhanced Recovery House services will have medical needs that require on-site nursing support. There will be a full-time dedicated staff member to assist individuals access community-based services, including but not limited to transportation to community-based recovery supports, medical appointments and outpatient treatment services. Individuals should have the ability to choose services, including services provided outside of the agency. All services provided, be it behavioral health and/or physical health care, must be provided by a DPH licensed facility. Any additional services provided through the agency should be billed through the individual's insurance carrier. DMHAS is a proponent of individualized, person-centered care. There may be situations or circumstances in which individuals require access to the community outside of standard business hours and/or program expectations. In the provision of individualized care, toxicology testing is not a requirement and restriction of community access is not the goal. The expectation is that there will be a variety of individuals in the Enhanced Recovery House at various stages in their recovery journey.
3. **RFP Purpose:** One (1) Enhanced Recovery House with a maximum of twelve (12) beds will expand the network of DMHAS-funded Recovery Houses. This will provide more opportunities for individuals, who have medical needs that require on-site nursing support, to have a safe and supportive environment for reintegrating into the community and/or awaiting admission to inpatient SUD treatment.

The goals of the funding are:

To provide Enhanced Recovery House beds to individuals reintegrating back to the community from and/or awaiting admission to inpatient Substance Use Disorder, (SUD) treatment, who have medical needs that require on-site nursing support. The Enhanced Recovery House will include on-site staff twenty-four (24) hours per day, seven (7) days per week including full-time dedicated staff to provide nursing supports. Individuals will simultaneously participate in and access community-based services, including and not limited to recovery supports and licensed outpatient

treatment services. There will be a full-time dedicated staff member to assist individuals in accessing community-based services, including but not limited to transportation to community-based recovery supports, medical appointments and outpatient treatment services. Individuals should have the ability to choose services, including services provided outside of the agency. All services provided, be it behavioral health and/or physical health care, must be provided by a DPH licensed facility. Any additional services provided through the agency should be billed through the individual's insurance carrier. DMHAS is a proponent of individualized, person-centered care. There may be situations or circumstances in which individuals require access to the community outside of standard business hours and/or program expectations. In the provision of individualized care, toxicology testing is not a requirement and restriction of community access is not the goal. The expectation is that there will be a variety of individuals in the Enhanced Recovery House at various stages in their recovery journey.

## II. PURPOSE OF RFP AND SCOPE OF SERVICES

### ■ A. AGENCY OVERVIEW

The Department of Mental Health and Addiction Services (DMHAS) promotes and administers comprehensive, recovery-oriented services in the areas of mental health and substance use services throughout Connecticut.

While the Department's services serve all Connecticut citizens, its mandate is to serve adults (over 18 years of age) with psychiatric or substance use disorders, or both, who lack the financial means to obtain such services on their own. DMHAS also provides collaborative programs for individuals (including those who identify as being part of a family) with special needs, such as persons with HIV/AIDS infection, people in the criminal justice system, those with problem gambling disorders, pregnant and parenting women with substance use disorders, persons with traumatic brain injury or hearing impairment, those with co-occurring substance use and mental illness, and special populations transitioning out of the Department of Children and Families (DCF).

DMHAS operates on the belief that people with mental illnesses and/or substance use disorders can and should be treated in community settings, and that inpatient treatment should be used only when absolutely necessary to meet the best interests of the individual. Effective care requires that services such as residential, supportive, rehabilitative and crisis intervention programs are available within their local communities. DMHAS is responsible for providing a wide range of services to adults in each of the five human service regions in Connecticut.

#### ***Department Mission***

To promote the overall health and wellness of persons with behavioral health needs through integrated network of holistic, comprehensive, effective, and efficient services and supports that foster dignity, respect, and self-sufficiency in those we serve.

### ■ B. PROGRAM OVERVIEW

DMHAS is issuing this RFP as part of the Community Services Division (CSD). The purpose of the RFP is to establish one (1) Enhanced Recovery House Program, in addition to the thirteen (13) existing Recovery Houses located throughout each of the five (5) CT DMHAS Regions. Proposers from any DMHAS Region may choose to apply, as the location of the Enhanced Recovery House is not region-specific. The Department will accept proposals for co-gendered programs

Enhanced Recovery House services which are defined as a safe and supportive living environment for individuals reintegrating back to the community from and/or awaiting admission to inpatient Substance Use Disorder (SUD) treatment. This includes the provision of on-site staff twenty-four (24) hours per day, seven (7) days a week to individuals who will simultaneously participate in and access community-based services, including and not limited to recovery supports and licensed outpatient treatment services. Individuals receiving Enhanced Recovery House services have medical needs that require on-site nursing support. There will be a full-time dedicated staff member to assist individuals in accessing community-based services, including but not limited to transportation to community-based recovery supports, medical appointments and outpatient treatment services. All services provided, be it behavioral health and/or physical health care, must be provided by a DPH licensed facility. Any additional services provided through the agency should be billed through the individual's insurance carrier. DMHAS is a proponent of

individualized, person-centered care. There may be situations or circumstances in which individuals require access to the community outside of standard business hours and/or program expectations. In the provision of individualized care, toxicology testing is not a requirement and restriction of community access is not the goal. The Department expects a detailed description of Recovery House operations to be included in your proposal. The expectation is that there will be a variety of individuals in the Enhanced Recovery House at various stages in their recovery journey. Recovery House services are for individuals who present without evidence of intoxication, withdrawal, that would indicate inappropriateness for participation in the Recovery House.

The length of stay for this service shall not exceed one hundred and twenty (120) days. Services include at a minimum a variety of psycho-educational groups (please provide a detailed description of the psycho-educational groups to be offered in your proposal), such as life skills training, family unification, parenting skills, job search skills, anger management, relapse prevention, stress management, and support for spiritual/religious involvement and education about their medical conditions; recovery support groups, such as the 12 step model; three (3) nutritionally-balanced meals on-site daily (please note: the funding for this program includes the cost of food. If there are expectations of residents cooking, it should be included in your proposal. Residents do not have to give their SNAP benefits to the Recovery House. Please see eCFR: 7 CFR 273.1 for additional information regarding SNAP benefits); and case management which includes assessment, planning and linking residents to substance use treatment, primary health care, mental health treatment, financial, housing and other needed community supports.

The Agency will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. *Example: "[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."*

Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Agency. Such negotiations may, but will not automatically, result in a contract. Any resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Agency's discretion, about the outcome of the evaluation and proposer selection process. The Agency reserves the right to decline to award contracts for activities in which the Commissioner or Agency Head considers there are not adequate respondents.

If unsuccessful proposers still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Agency to discuss the evaluation process and their proposals. If held, the debriefing meeting will not include any comparisons of unsuccessful proposals with other proposals. The Agency may schedule and hold the debriefing meeting within fifteen (15) days of the request. The Agency will not change, alter, or modify the outcome of the evaluation or selection process as a result of any debriefing meeting.

The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the thirty (30) days. The filing of an appeal shall not be deemed sufficient reason for the Agency to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an appeal may be obtained from the Official Contact.
- 8. Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Agency's contracting procedures, which may include approval by the Office of the Attorney General. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.
- 2. State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Agency may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.

- 3. Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor.
- 4. Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. - 4. Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
- 5. Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Agency may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Agency, and at the proposer's expense.
- 6. Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Agency.

The Agency may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. The contract document will represent the entire agreement between the proposer and the Agency and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Agency and, if required, by the Attorney General's Office.

- 3. No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Agency may reopen the procurement process, if it is determined to be in the best interests of the State.
- 4. Award and Rejection of Proposals.** The Agency reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Agency may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Agency reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
- 5. Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. - 7. Clerical Errors in Award.** The Agency reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
- 8. Key Personnel.** When the Agency is the sole funder of a purchased service, the Agency reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Agency also reserves the right to approve replacements for key personnel who have terminated employment. The Agency further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Agency.

Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.
- 2. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to ensure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.

**3. Consulting Agreements, C.G.S. § 4a-81. Consulting Agreements**

**Representation, C.G.S. § 4a-81.** Pursuant to C.G.S. §§ 4a-81 the successful contracting party shall certify that it has not entered into any consulting agreements in connection with this Contract, except for the agreements listed below. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information, or (C) any other similar activity related to such contracts. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of chapter 10 of the Connecticut General Statutes as of the date such contract is executed in accordance with the provisions of section 4a-81 of the Connecticut General Statutes. Such representation shall be sworn as true to the best knowledge and belief of the person signing the resulting contract and shall be subject to the penalties of false statement.

**4. Campaign Contribution Restriction, C.G.S. § 9-612.** For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the resulting contract must represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations." Such notice is available at [SEECStateContractorNotice.pdf](#)

**5. Gifts, C.G.S. § 4-252.** Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz's Executive Order No. 21-2, the Contractor, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:

(1) That no gifts were made by (A) the Contractor, (B) any principals and key personnel of the Contractor, who participate substantially in preparing bids, proposals or negotiating State contracts, or (C) any agent of the Contractor or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi- public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;

(2) That no such principals and key personnel of the Contractor, or agent of the Contractor or of such principals and key personnel, knows of any action by the Contractor to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the Contractor to provide a gift to any such public official or State employee; and

(3) That the Contractor is submitting bids or proposals without fraud or collusion with any person.

Any bidder or proposer that does not agree to the representations required under this section shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.

**6. Iran Energy Investment Certification C.G.S. § 4-252(a).** Pursuant to C.G.S. § 4-252(a), the successful contracting party shall certify the following: (a) that it has not made a direct investment of twenty million dollars or more in the energy sector of Iran on or after October 1, 2013, as described in Section 202 of the Comprehensive Iran Sanctions, Accountability and Divestment Act of 2010, and has not increased or renewed such investment on or after said date. (b) If the Contractor makes a good faith effort to determine whether it has made an investment described in subsection (a) of this section it shall not be subject to the penalties of false statement pursuant to section 4-252a of the Connecticut General Statutes. A "good faith effort" for purposes of this subsection includes a determination that the Contractor is not on the list of persons who engage in certain investment activities in Iran created by the Department of General Services of the State of California pursuant to Division 2, Chapter 2.7 of the California Public Contract Code. Nothing in this subsection shall be construed to impair the ability of the State agency or quasi-public agency to pursue a breach of contract action for any violation of the provisions of the resulting contract.

**7. Nondiscrimination Certification, C.G.S. § 4a-60 and 4a-60a.** If a bidder is awarded an opportunity to negotiate a contract, the proposer must provide the State agency with *written representation* in the resulting contract that certifies the bidder complies with the State's nondiscrimination agreements and warranties. This nondiscrimination certification is required for all State contracts – regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by either (A) initialing the nondiscrimination affirmation provision in the body of the resulting contract, or (B) providing an affirmative response in the required online bid or response to a proposal question, if applicable, which asks if the contractor understands its obligations. If a bidder or vendor refuses to agree to this representation, such bidder or vendor shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

**8. Access to Data for State Auditors.** The Contractor shall provide to OPM access to any data, as defined in C.G.S. § 4e-1, concerning the resulting contract that are in the possession or control of the Contractor upon demand and shall provide the data to OPM in a format prescribed by OPM [or the Client Agency] and the State Auditors of Public Accounts at no additional cost.

**F. Acknowledgement of Contract Compliance - Notification to Bidders****Acknowledgement of Contract Compliance - Notification to Bidders****COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES  
CONTRACT COMPLIANCE REGULATIONS  
NOTIFICATION TO BIDDERS**

(Revised 09/3/15)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.”

“Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.”

“Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

**\* INSTRUCTIONS Proposer must sign acknowledgment below, and return acknowledgment to awarding agency along with signed proposal.**

The undersigned acknowledges receiving and reading a copy of the “Notification to Bidders” form.

GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder's good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.
