FREQUENTLY ASKED REGISTRATION QUESTIONS

Q: **What do I do if I forgot my password?**
A: State employees should contact their facility administrator. Non-state employees: On the log in page of the LMS, click the "Forgot Password?" link. The system will prompt you to enter the email address that is associated with your LMS account. When you've entered the information, the system will send you an email with a temporary password.

Q: **How do I get a copy of my transcript?**
A: Online transcripts are available for classes that have been held after 1/1/09. Once you've logged into your LMS account, go to the Me tab, then click Analytics in the left-hand menu. Click on the report entitled User Transcript. Your transcript will open in a new window. Click on the Download button at the top right of the window to export your transcript to PDF (recommended) or Excel. For more detailed instructions, see Introduction to the LMS.
