I. GENERAL INFORMATION

A. INTRODUCTION

1. RFP Name and Number.

PROBLEM GAMBLING INTEGRATION IN SUBSTANCE USE DISORDER AND MENTAL HEALTH SERVICES (RFP #DMHAS-DiGIn 2022). The name and number will be used on each page of the main proposal and cover sheet of proposals submitted in response to this RFP.

2. RFP Executive Summary.

The Connecticut Department of Mental Health and Addiction Services (hereafter referred to as DMHAS, or the Department), in its effort to successfully implement a person-centered, recovery-oriented, and value-driven system of care requests proposals from qualified private non-profit applicants to provide proposals that effectively describe a plan for programs that provides problem gambling integrated/informed services (commonly known as Disordered Gambling Integration, hereafter referred to as DiGIn).

3. RFP Purpose.

The Department of Mental Health and Addiction Services recognizes the need to develop the most cost effective service delivery system to provide a continuum of interventions for those groups at heightened risk for problems with gambling. Substantial research has specifically identified individuals with substance use and mental health disorders as being at significantly higher risk for gambling problems that contribute to decreased treatment efficacy, increased health care costs and service utilization. Additionally, research has also demonstrated that co-occurring gambling problems largely go unrecognized and untreated within substance use disorder (SUD) and mental health (MH) settings. To this end, DMHAS is looking for innovative and effective approaches that will provide a comprehensive continuum of recovery oriented problem gambling integrated and informed services including:

An environment of care that specifically addresses the impact of problem or disordered gambling on recovery from substance use and mental health disorders (DiGIn).

3.1 DiGIn Mission.

- a. To increase the capacity of substance use disorder and mental health treatment programs to address gambling disorder and problem gambling through enhanced screening, assessment, awareness, intervention, recovery and health promotion strategies.
- b. To make gambling problems and behaviors a relevant topic of conversation within the broader substance use and mental health disorder treatment communities.

4. Commodity Codes.

The services that the Department wishes to procure through this RFP are as follows:

- a. 86000000: Education and Training Services
- b. 85000000: Healthcare Services

E: Attachments

Attachments other than the required attachments identified are not permitted and will not be evaluated. See the Proposal Checklist in Appendix VI for a list of relevant attachments. Further, the required attachments must not be altered or used to extend, enhance, or replace any component required by this RFP. Failure to abide by these instructions may result in disqualification.

The purpose of this subsection is to gather any other additional information that the Department needs to evaluate the Respondent. The specifics of the information requested are left to the Department's discretion. Respondents should be asked to provide these as supplementary documents only referenced in the main proposal to not go against their page limits.

F: Declaration of Confidential Information

If a Respondent deems that certain information required by this RFP is confidential, the Respondent must label such information as CONFIDENTIAL prior to submission. The Respondent must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the Respondent must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the Respondent that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

G: Conflict of Interest – Disclosure Statement

Respondent must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the Respondent and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a Respondent tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. In the absence of any conflict of interest, a Respondent must affirm such in the disclosure statement. *Example: "[name of Respondent] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."*

H: Statement of Assurances

Place after Conflict of Interest-Disclosure Statement. Sign and return Appendix VI.

V. MANDATORY PROVISIONS

This section of the RFP provides information about the State's mandatory procurement and contracting requirements, including, the standard Purchase of Service contract, Respondent assurances, the terms and conditions of this RFP, the rights reserved to the State, and compliance with statutes and regulations. The Department is solely responsible for rendering decisions in matters of interpretation of all mandatory provisions. Section V is standard for all RFPs for POS and the content does not vary.

■ A. PSA STANDARD CONTRACT, PARTS I AND II

By submitting a proposal in response to this RFP, the Respondent implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for PSA:

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting PSA contract. A sample of Part I is available from the Department's Official Contact upon request.

Part II of the standard contract is maintained by OPM and includes the mandatory terms and conditions of the PSA contract. Part II is available on OPM's website at: http://www.ct.gov/opm/fin/standard_contract

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a Respondent is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the Respondent must inform the Respondent's principals of the contents of the SEEC notice.

Part I of the standard contract may be amended by means of a written instrument signed by the Department, the selected Respondent (contractor), and, if required, the Attorney General's Office. Part II of the standard contract may be amended only in consultation with, and with the approval of, the Office of Policy and Management and the Attorney General's Office.

■ B. ASSURANCES

By submitting a proposal in response to this RFP, a Respondent implicitly gives the following assurances:

- 1. Collusion.** The Respondent represents and warrants that the Respondent did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The Respondent further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the Respondent's proposal. The Respondent also

represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.

- 2. State Officials and Employees.** The Respondent certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the Respondent, contractor, or its agents or employees.
- 3. Competitors.** The Respondent assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the Respondent to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The Respondent further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the Respondent knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor.
- 4. Validity of Proposal.** The Respondent certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the proposal, by reference or otherwise, into any contract with the successful Respondent.
- 5. Press Releases.** The Respondent agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFP or any resultant contract.

■ C. TERMS AND CONDITIONS

By submitting a proposal in response to this RFP, a Respondent implicitly agrees to comply with the following terms and conditions:

- 1. Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
- 2. Preparation Expenses.** Neither the State nor the Department shall assume any liability for expenses incurred by a Respondent in preparing, submitting, or clarifying any proposal submitted in response to this RFP.
- 3. Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Respondents are liable for any other applicable taxes.
- 4. Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.

- 5. Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize Respondents to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the Respondent's expense.
- 6. Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Department. The Department may ask a Respondent to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number of Respondents invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per Respondent.
- 7. Presentation of Supporting Evidence.** If requested by the Department, a Respondent must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Department may make onsite visits to an operational facility or facilities of a Respondent to evaluate further the Respondent's capability to perform the duties required by this RFP. At its discretion, the Department may also check or contact any reference provided by the Respondent.
- 8. RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any Respondent unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the Respondent and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the Respondent or for payment of services under the terms of the contract until the successful Respondent is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

■ D. RIGHTS RESERVED TO THE STATE

By submitting a proposal in response to this RFP, a Respondent implicitly accepts that the following rights are reserved to the State:

- 1. Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Department.
- 2. Amending or Canceling RFP.** The Department reserves the right to amend or cancel this RFP on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
- 3. No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
- 4. Award and Rejection of Proposals.** The Department reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Department may waive minor technical defects, irregularities, or

omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the proposal of any Respondent who submits a proposal after the submission date and time.

- 5. Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any and all information or reports, or part thereof, shall accrue to the State without recourse.
- 6. Contract Negotiation.** The Department reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Department further reserves the right to contract with one or more Respondent for such services. After reviewing the scored criteria, the Department may seek Best and Final Offers (BFO) on cost from Respondents. The Department may set parameters on any BFOs received.
- 7. Clerical Errors in Award.** The Department reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a Respondent and subsequently awarding the contract to another Respondent. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial Respondent is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the Respondent.
- 8. Key Personnel.** When the Department is the sole funder of a purchased service, the Department reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Department also reserves the right to approve replacements for key personnel who have terminated employment. The Department further reserves the right to require the removal and replacement of any of the Respondent's key personnel who do not perform adequately, regardless of whether they were previously approved by the Department.

■ E. STATUTORY AND REGULATORY COMPLIANCE

By submitting a proposal in response to this RFP, the Respondent implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

- 1. Freedom of Information, C.G.S. § 1-210(b).** The Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Respondents are generally advised not to include in their proposals any confidential information. If the Respondent indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The Respondent has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a Respondent may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its

employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.

- 2. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.
- 3. Consulting Agreements, C.G.S. § 4a-81.** Proposals for State contracts with a value of \$50,000 or more in a calendar or fiscal year, excluding leases and licensing agreements of any value, shall include a consulting agreement affidavit attesting to whether any consulting agreement has been entered into in connection with the proposal. As used herein "consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information or (C) any other similar activity related to such contract. Consulting agreement does not include any agreements entered into with a consultant who is registered under the provisions of C.G.S. Chapter 10 as of the date such affidavit is submitted in accordance with the provisions of C.G.S. § 4a-81. The Consulting Agreement Affidavit (OPM Ethics Form 5) is available on OPM's website at http://www.ct.gov/opm/fin/ethics_forms
IMPORTANT NOTE: A Respondent must complete and submit OPM Ethics Form 5 to the Department with the proposal.
- 4. Gift and Campaign Contributions, C.G.S. §§ 4-250 and 4-252(c); Governor M. Jodi Rell's Executive Orders No. 1, Para. 8 and No. 7C, Para. 10; C.G.S. § 9-612(g)(2).** If a Respondent is awarded an opportunity to negotiate a contract with an anticipated value of \$50,000 or more in a calendar or fiscal year, the Respondent must fully disclose any gifts or lawful contributions made to campaigns of candidates for statewide public office or the General Assembly. Municipalities and CT State agencies are exempt from this requirement. The gift and campaign contributions certification (OPM Ethics Form 1) is available on OPM's website at http://www.ct.gov/opm/fin/ethics_forms
IMPORTANT NOTE: The successful Respondent must complete and submit OPM Ethics Form 1 to the Department prior to contract execution.
- 5. Nondiscrimination Certification, C.G.S. §§ 4a-60(a)(1) and 4a-60a(a)(1).** If a Respondent is awarded an opportunity to negotiate a contract, the Respondent must provide the Department with *written representation* or *documentation* that certifies the Respondent complies with the State's nondiscrimination agreements and warranties. A nondiscrimination certification is required for all State contracts – regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The nondiscrimination certification forms are available on OPM's website at http://www.ct.gov/opm/fin/nondiscrim_forms
IMPORTANT NOTE: The successful Respondent must complete and submit the appropriate nondiscrimination certification form to the awarding Department prior to contract execution.

Acknowledgement of Contract Compliance - Notification to Bidders**COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES
CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS**

(Revised 09/3/15)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.”

“Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.”

“Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
 - (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
 - (c) the bidder’s promise to develop and implement a successful affirmative action plan;
 - (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
 - (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises.
- See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.
