## Reading a Bus Schedule

Its Saturday, Sara is babysitting for her 4 year old nephew and wanted to take him to the Beardsley Zoo for the day. They will have to take the bus since she hasn't saved up enough for a car yet. Sara lives on the other side of town about a 5 minute walk from Seaside park where she will catch the bus. Using your GBTA rider's guide, answer the questions below to learn about the rest of Sara's trip.

- 1. Which number bus will she get on at the bus stop located in Seaside park?
- 2. Will she have to transfer to another bus to get to her final destination of the Beardsley Zoo? If so, where does she transfer and what is the new bus number?
- 3. Name two other stops that are on the same bus line as the Zoo.
- 4. Sara has to make sure she is back to her house before 5pm so her aunt can pick up her nephew. What time she should start her bus trip back home?
- 5. How much will it cost for Sara and her nephew both to ride the bus to and from the zoo?
- 6. Sara was on the bus already when she saw it was about to pour rain. She decided instead to take her nephew to the mall. Where would Sara get off the bus? What bus number would she then get on to continue on to the Trumbull mall?
