

## PROUD (Parents Recovering from Opioid and Other Use Disorders)

The PROUD program is here to offer support and family-centered treatment to pregnant women and mothers of infants or young children, in all stages of substance use recovery. With flexible service options, mothers can get the help they need in their community.

### Anyone can make a referral:

- For **Greater Hartford, Manchester, & Willimantic area** contact the Intercommunity, Inc. PROUD team at 860-569-5900 ext.321
- For **Greater New Britain, Waterbury, & Middletown area** contact the Wheeler Clinic PROUD team at 860-782-2476
- For **Greater New Haven & Bridgeport area** contact the MCCA PROUD team at 203-285-6475

For more information, visit [portal.ct.gov/PROUD](http://portal.ct.gov/PROUD)

## Women's REACH

The Women's REACH (Recovery, Engagement, Access, Coaching & Healing) program is staffed by Women's Recovery Navigators and a Family Recovery Navigator who bring their lived experience to help support other women and families through case management and recovery coaching approaches. There is no wrong door to access REACH services. Services are voluntary.
