

# A PROUD Path To Recovery

## We are here for you

The PROUD program (Parents Recovering from Opioid Use Disorders) is here to offer support and family centered treatment to pregnant and postpartum women, in all stages of substance use recovery. With services in your community, you can get the help you need.

- PROUD program staff use a holistic model that includes clinical, case management, and peer based approaches to recovery.
- Program services are flexible, with in-home and telehealth treatment options.
- Treatment and support is personalized for every mother and her family.
- PROUD program staff will create Family Care Plans with expectant mothers.

**PROUD program services are offered through InterCommunity, Inc., Midwestern Connecticut Council of Alcoholism (MCCA), and Wheeler Clinic to women living in:**
