

Cash Match Charts for the 2023 Farmland Restoration Grant

Cash Match: Each category of the 2023 Farmland Restoration Grant has its own maximum award amount and corresponding match requirement. These are listed below. To find your required cash match, first determine which category of the Farmland Restoration Program you are applying for. Next, calculate the total cost for your project. The required cash match can be found by multiplying your total project cost by the match requirement percentage.

Scroll below to find the category of the 2023 Farmland Restoration Program you wish to apply for. To determine which category you should apply for, please read the “2023 Farmland Restoration Grant Guidance” document located on the Department of Agriculture website.
