Lot Modification Request

(rev. 1.11.2022)

Applications, supporting documents and payments will only be accepted through the DOAG E-License portal. Paper applications will not be accepted.

The Lot Modification Request in eLicense must be executed prior to the growing, handling, processing, or storage of hemp materials at any location (GPS coordinates) NOT already listed on your License Agreement.

You must include the following information in the Lot Modification Request in eLicense.

- FSA Lot ID, as soon as available
- Site Ownership
- Consent to Grow/Process Hemp on Leased Land
- Indoor or Outdoor
- Acres
- Indoor Sq. Ft.
- Longitude
- Latitude
- Address - Street
- Address - City
- Address - State
- Address - Zip Code
- Upload Map
- Attestation
