

On behalf of the Connecticut Greenhouse Growers Association we would like to thank you in advance for filling out this very brief survey:

Farm or Garden Center You're Visiting Today:

Winterberry Gardens

Have you seen the commercial Four Seasons of Beauty that starts with the narrative, "This is Connecticut..." air on NBC Connecticut?

Yes I have seen it many times. It is a beautiful commercial.

If yes to the above, did you have previous knowledge of the variety of greenhouse specialty crops grown in Connecticut?

*I never realized there was so much variety.
I really didn't understand what was grown here.
I didn't know orchids were grown in Connecticut.*

Do you feel that your purchases help to support the local farmer and the local economy?

Yes I feel that my purchases help.

Will you purchase your plants from a member of the Connecticut Greenhouse Industry again?

Definitely will.

Do you have any other comments for us that would help you decide to purchase Connecticut Grown Greenhouse Specialty Crops?

I received excellent gardening advice as to how to grow and maintain my purchase. The staff here at Winterberry is always so knowledgeable. They know what they're talking about.
