

<u>Department of Banking Issues Guidance Regarding Public Act 23-201</u> June 10, 2024

The Department of Banking ("Department") issues this guidance, pursuant to the authority set forth in Section 36a-1-8 of the Regulations of Connecticut State Agencies, concerning P.A. 23-201, An Act Requiring Certain Financing Disclosures ("Act"), subsequently codified at Sections 36a-861 to 36a-872, inclusive, of the 2024 Supplement to the General Statutes, to set forth expectations concerning disclosures required by providers in connection with sales-based financing offers made on and after July 1, 2024 pursuant to Sections 36a-863 and 36a-864 of the 2024 Supplement to the General Statutes, and the registration of commercial financing brokers and providers no later than October 1, 2024 pursuant to Section 36a-870 of the 2024 Supplement to the General Statutes. Additional information regarding the registration process of such brokers and providers will soon be made available on the Department's website and the NMLS Resource Center available here.

Disclosure Requirements of the Act

Section 3 of the Act, codified at Section 36a-863 of the 2024 Supplement to the General Statutes requires that effective July 1, 2024, a provider shall provide to a recipient, when the provider extends a specific offer for sales-based financing, disclosures in a format prescribed by the Banking Commissioner. The required format of such disclosures is attached hereto as Appendix A to this Guidance.

At this time, the Department has not determined that the laws of any other state require commercial financing disclosures that meet or exceed Connecticut's commercial financing disclosure requirements, such that another state's approved form may be used to comply with Connecticut's disclosure requirements. Considering the limited amount of time available for providers to come into compliance with the disclosure requirements of the Act and Appendix A, the Department is hereby issuing the no-action position set forth below.

No-Action Position

Pursuant to Section 36a-1-8 of the Regulations of Connecticut State Agencies, the Commissioner will not take enforcement action for a provider's failure to provide the disclosures required by Sections 36a-863 and 36a-864 of the 2024 Supplement to the General Statutes, or obtain the recipient's signature on disclosures, as required by Section 36a-865 of the 2024 Supplement to the General Statutes, for specific offers of commercial sales-based financing issued from July 1 to September 30, 2024.

Sections 8 and 9 of the Act, effective July 1, 2024

Please be advised that this no-action position <u>does not</u> apply to Section 8 of the Act (prohibition against prejudgment remedy due process waivers) and Section 9 of the Act (mandating three-day review period for specific offers), effective July 1, 2024. Sections 8 and 9 of the Act, codified at Sections 36a-868 and 36a-869 of the 2024 Supplement to the General Statutes, respectively, provide commercial

sales-based financing applicants and borrowers with certain important rights as a matter of law that are independent of the aforementioned disclosure requirements. In particular, Section 36a-868 of the 2024 Supplement to the General Statutes prohibits commercial financing contracts entered into on or after July 1, 2024 from containing provisions waiving a recipient's right to notice, judicial hearing or prior court order under chapter 903a of the general statutes in connection with a prejudgment remedy, and Section 36a-869 of the 2024 Supplement to the General Statutes prohibits specific offers made on or after July 1, 2024, from being revoked, withdrawn or modified until midnight of the third calendar day after the date of the specific offer and sets forth circumstances upon which the offer may be revoked, withdrawn or modified.
