1. **Policy.** The Department of Correction and its Health Services Unit shall ensure that all health services staff who provide health services to inmates possess the appropriate credentials according to licensure, registration, and certification requirements of the State of Connecticut.
2. **Authority and Reference.**
  - a. Public Law 108-79, Prison Rape Elimination Act of 2003.
  - b. 28 C.F.R. 115, Prison Rape Elimination Act National Standards.
  - c. Connecticut General Statutes, Title 20 and Section 18-81.
  - d. Regulation of Connecticut State Agencies, Section 18-81-10a.
  - e. Doe vs. Meachum, Civil Action No. H-88-562 (PCD), November 2, 1990.
  - f. Administrative Directives 2.7, Training and Staff Development; and 6.12, Inmate Sexual Abuse/Sexual Harassment Prevention and Intervention.
3. **Definitions.** For the purposes stated herein, the following definitions apply:
  - a. **Credentialing.** A process by which qualifications including licensing, certification, registration, education and training of health care providers are verified prior to employment and annually thereafter, as appropriate.
  - b. **Health Services Staff.** An individual employed by the Department of Correction or the Department's provider for health services, on a part time, contractual, or full-time basis who has responsibilities providing health services to inmates remanded to the custody of the Commissioner of Correction. Any student, intern or volunteer under the supervision and direction of health services staff shall also be considered health services staff.
4. **Credentialing.** The Health Services Unit shall ensure that all inmate health care shall be provided by personnel who have been appropriately trained and educated and who shall maintain licensure, certification, registration, or other applicable credentials as required.
  - a. Valid and current credentials for each employee and subcontractor providing health services to inmates in custody of the Commissioner of Correction shall be maintained by the employee and by the Health Services Unit and be made available to the Commissioner or designee upon request.
  - b. Staff duties and responsibilities shall be governed by written job descriptions and by the tasks permitted by their credentials. Prior to hiring, the Health Services Unit (recruitment unit) shall verify validity of licensure required by the State of Connecticut.
5. **Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED) Certification.** The Chief Operating Officer or designee shall ensure that all health services personnel have current training/certification in the American Heart Association Basic Life Support (BLS) for Healthcare Provider or Responder(s) (CPR and AED) Program.
6. **Training of Health Services Staff.** All health services staff who have contact with inmates shall be trained on their responsibilities under A.D.6.12 Inmate Sexual Abuse/Sexual Harassment Prevention and Intervention.
  - a. Training shall include the following:
  - b. The Department's zero tolerance policy regarding inmate sexual abuse
