

# Request for Inclusion or Revision to an Administrative Directive

## Connecticut Department of Correction

CN 1301  
REV 02/06/15

Administrative Directive Number: **9.2** Title: **Offender Classification**

I recommend the following inclusion or revision to the above referenced Administrative Directive (provide detailed explanation):

Per Administrative Directive 9.2., Offender Classification, Section 12D, "An inmate shall be automatically placed in Administrative Detention and be reviewed for placement on Overall Risk Level 5/Administrative Segregation, under any of the following conditions: 9. An inmate is in pretrial or pre-sentence status for a Capital Felony Murder charge."

On April 25, 2012, the state of Connecticut abolished the death penalty prospectively for any offenses committed after April 25, 2012.

I recommend adding language in the administrative directive to note the date of effect for the abolishment of the possibility of receiving the death penalty sentence. It should state that "9. An inmate is in pretrial or pre-sentence status for a Capital Felony Murder charge **with an offense date before April 25, 2012.**" The added language is in bold font to emphasize the change.
