Compendium Program: High School Diploma Programs

Gender Specific for: BOTH

Description:

The USD #1 offers opportunities for earning a high school diploma through either USD # 1's Adult Education Program or in some cases in collaboration with USD #1 and the local town/city. To receive a diploma from the local city/town, the former school district must be willing to cooperate with USD #1. USD #1 Adult Education opportunities include the following:

1. The General Education Development (GED) exam provides qualified offenders the opportunity to participate in the examination process in order to receive a Connecticut State High School Diploma.
2. The High School Equivalency Program provides qualified offenders the opportunity to earn the 20 credit hours (120 hours per credit) required to receive a Connecticut High School Diploma.
3. Credit Diploma Program (CDP) provides qualified offenders the opportunity to earn the 20 credit hours (50 hours per credit) required to receive a USD #1 Adult Education High School Diploma.
4. The External Diploma Program (EDP) provides qualified offenders the opportunity to complete a competency portfolio in order to receive a USD #1 Adult Education High School Diploma.

Not all programs are available at all sites, and USD #1 staff review these options with prospective students to assist in the decision regarding which high school diploma program best meets his/her needs.

Compendium Program: HIV Support Services

Gender Specific for:BOTH

Description:

The Department demonstrates a collaborative approach in providing HIV support services to inmates in all facilities. A UCONN (Contracted) Health Services Team coordinates testing and counseling services; the Department's School District conducts classroom instruction about HIV; the Department's Addiction Services Unit Counselors provide HIV education and prevention counseling; a number of volunteers serve as "buddies" or sponsors; and Hartford's Community Partners in Action (CPA) receives funding from foundations, grants as well as support from the state's Department of Mental Health and Addiction Services to operate the "Beyond Fear" Program. Altogether the Department hosts a complete program that includes counseling, testing, education focus groups, videos, intervention strategies and is able to assist discharging inmates with need for such services as housing, medical treatment, food, clothing and transportation.

New Beginnings and AIDS Awareness Day has been added to the HIV Support Services program. New Beginnings is an HIV/AIDS support group.

Compendium Program: Medicated Assisted Treatment Program

Gender Specific for: BOTH

Description:

Medication Assisted Treatment (MAT) is a program that combines behavioral therapy with several medication options to treat substance use disorders. MAT programming in the correctional setting has shown to prevent relapse and overdose among offenders who present with opioid and/or alcohol addiction and decrease illicit opiate use and other criminal activity. The DOC MAT program includes counseling, recovery/social supports and training on the use of NARCAN. MAT program participants are then provided NARCAN prior to discharge. The Addiction Treatment Unit (ATU) provide treatment options and will coordinate services with community providers to ensure continuity of care post release.

Gender Specific for: BOTH

Description:

The special education teachers, pupil services specialists (School Psychologists, School Counselors, School Social Workers), and the associated clerical and durational staff provide services to students with handicapping conditions which interfere with their ability to participate in school. These services are mandated by federal (Individuals with Disabilities Education Act Amendments of 1997) and state (Connecticut General Statutes 10-76) statute. Special education services encompass a broad array of activities including assessment, counseling, transition planning, and both the direct and indirect (e.g. consultation) services of the special education teachers and pupil services staff. Student programs are designed according to the individual needs of each student with disabilities and are specified in an Individualized Education Plan (IEP.) A social skills component is a part of the special education program.
