Compendium Program: Facility Based Domestic Violence Program

Gender Specific for:MALE

Description:

This group is designed for inmates who have committed a domestic violence offense.

This is the facility-based domestic violence group. The group is designed to achieve the following goal:

To help inmates, who have a history of domestic violence, become

- (a) more motivated to stop their violence and abuse and
- (b) replace them with more positive behaviors patterns.

Successful completion of this program is a requirement for those inmates who enter into the department's community-based transitional supervision program for domestic violence offenders.

Compendium Program: HIV Support Services

Gender Specific for:BOTH

Description:

The Department demonstrates a collaborative approach in providing HIV support services to inmates in all facilities. A UCONN (Contracted) Health Services Team coordinates testing and counseling services; the Department's School District conducts classroom instruction about HIV; the Department's Addiction Services Unit Counselors provide HIV education and prevention counseling; a number of volunteers serve as "buddies" or sponsors; and Hartford's Community Partners in Action (CPA) receives funding from foundations, grants as well as support from the state's Department of Mental Health and Addiction Services to operate the "Beyond Fear" Program. Altogether the Department hosts a complete program that includes counseling, testing, education focus groups, videos, intervention strategies and is able to assist discharging inmates with need for such services as housing, medical treatment, food, clothing and transportation.

New Beginnings and AIDS Awareness Day has been added to the HIV Support Services program. New Beginnings is an HIV/AIDS support group.

Compendium Program: Medicated Assisted Treatment Program

Gender Specific for: BOTH

Description:

Medication Assisted Treatment (MAT) is a program that combines behavioral therapy with several medication options to treat substance use disorders. MAT programming in the correctional setting has shown to prevent relapse and overdose among offenders who present with opioid and/or alcohol addiction and decrease illicit opiate use and other criminal activity. The DOC MAT program includes counseling, recovery/social supports and training on the use of NARCAN. MAT program participants are then provided NARCAN prior to discharge. The Addiction Treatment Unit (ATU) provide treatment options and will coordinate services with community providers to ensure continuity of care post release.

Compendium Program: Special Education and Pupil Services

Gender Specific for: BOTH

Description:

The special education teachers, pupil services specialists (School Psychologists, School Counselors, School Social Workers), and the associated clerical and durational staff provide services to students with handicapping conditions which interfere with their ability to participate in school. These services are mandated by federal (Individuals with Disabilities Education Act Amendments of 1997) and state (Connecticut General Statutes 10-76) statute. Special education services encompass a broad array of activities including assessment, counseling, transition planning, and both the direct and indirect (e.g. consultation) services of the special education teachers and pupil services staff. Student programs are designed according to the individual needs of each student with disabilities and are specified in an Individualized Education Plan (IEP.) A social skills component is a part of the special education program.

Compendium Program: Technical Violators Program (ATU-TOP)

Gender Specific for: BOTH

Description:

The Addiction Services Unit - Time Out Program (ATU-TOP) provides Substance Abuse Treatment for offenders returned to custody for non-compliance with the stipulations and/or conditions of their release from a DOC facility. ASU-TOP programming serves to reinforce the offender's foundation of substance abuse information, personal identification with recovery, and to motivate their continued use of formal and informal recovery support services upon their return to the community. The ATU-TOP uses two evidence-based; psycho-educational curriculum driven programs designed to help the offender identify the mechanisms which triggered their relapse into the use of Alcohol or other Drugs; enhance their recovery skills, and develop a plan for an on-going drug and crime free lifestyle. The ASU-TOP program will be delivered 5 times per week over the course of 3 weeks. The Brief Substance Abuse Treatment Program shall be 15 sessions in length; the Intensive Relapse Prevention Program shall be 10 sessions in length. Participants will also complete the Job Center Program and the Reentry Workbook Program. Upon successful completion of TOP, inmates may attend Aftercare.
