Compendium Program: High School Diploma Programs

Gender Specific for: BOTH

Description:

The USD #1 offers opportunities for earning a high school diploma through either USD # 1's Adult Education Program or in some cases in collaboration with USD #1 and the local town/city. To receive a diploma from the local city/town, the former school district must be willing to cooperate with USD #1. USD #1 Adult Education opportunities include the following:

1. The General Education Development (GED) exam provides qualified offenders the opportunity to participate in the examination process in order to receive a Connecticut State High School Diploma.
2. The High School Equivalency Program provides qualified offenders the opportunity to earn the 20 credit hours (120 hours per credit) required to receive a Connecticut High School Diploma.
3. Credit Diploma Program (CDP) provides qualified offenders the opportunity to earn the 20 credit hours (50 hours per credit) required to receive a USD #1 Adult Education High School Diploma.
4. The External Diploma Program (EDP) provides qualified offenders the opportunity to complete a competency portfolio in order to receive a USD #1 Adult Education High School Diploma.

Not all programs are available at all sites, and USD #1 staff review these options with prospective students to assist in the decision regarding which high school diploma program best meets his/her needs.

Compendium Program: HIV Support Services

Gender Specific for: BOTH

Description:

The Department demonstrates a collaborative approach in providing HIV support services to inmates in all facilities. A UCONN (Contracted) Health Services Team coordinates testing and counseling services; the Department's School District conducts classroom instruction about HIV; the Department's Addiction Services Unit Counselors provide HIV education and prevention counseling; a number of volunteers serve as "buddies" or sponsors; and Hartford's Community Partners in Action (CPA) receives funding from foundations, grants as well as support from the state's Department of Mental Health and Addiction Services to operate the "Beyond Fear" Program. Altogether the Department hosts a complete program that includes counseling, testing, education focus groups, videos, intervention strategies and is able to assist discharging inmates with need for such services as housing, medical treatment, food, clothing and transportation.

New Beginnings and AIDS Awareness Day has been added to the HIV Support Services program. New Beginnings is an HIV/AIDS support group.

Compendium Program: RAMP- Restorative Justice Program

Gender Specific for:MALE

Description:

RAMP is a 3 phase restorative justice program that utilizes restorative practices in order to repair the relationship that have been negatively impacted as a result of an incident through reflection, accountability, and mediation. Participants will reflect: The juvenile will complete an assignment that forms the foundation of all forms of restorative practices and aims to discover the root cause (s) of challenging behavior, determine impact, repair harm, and restore relationships and the community. Accountability: The juvenile will speak with staff to focus on repairing the harm that was done to the individuals involved in the incident. An additional assignment will be completed that addresses his disciplinary behavior with a focus on anger management, victimization, and the importance of following rules. Mediation: The juvenile will complete an assignment in order to prepare for the mediation process with the impacted parties. The participant will then focus on the continued repair of the community that includes scenarios that may present future conflict. The goal is for the juvenile to apply what he has learned in future situations to avoid conflict.
