Compendium Program: Effective Fatherhood

Gender Specific for: MALE

Description:

Effective Fatherhood program is a 12 week parenting course based on Circle of Security Parenting framework. The program looks specifically at some of the unique challenges of parenting behind bars, using examples from scenarios relevant to the empirical experiences of incarcerated people. The program will be based on reflective learning using the action reflection model to encourage a new and better informed action. The program will draw heavily on attachment theory and focus on helping parents better respond to the needs of their children and hopefully create secure attachments. Effective fatherhood debunks the myth of the perfect parent and instead encourages participants to be good enough parents.

Compendium Program: Special Education and Pupil Services

Gender Specific for: BOTH

Description:

The special education teachers, pupil services specialists (School Psychologists, School Counselors, School Social Workers), and the associated clerical and durational staff provide services to students with handicapping conditions which interfere with their ability to participate in school. These services are mandated by federal (Individuals with Disabilities Education Act Amendments of 1997) and state (Connecticut General Statutes 10-76) statute. Special education services encompass a broad array of activities including assessment, counseling, transition planning, and both the direct and indirect (e.g. consultation) services of the special education teachers and pupil services staff. Student programs are designed according to the individual needs of each student with disabilities and are specified in an Individualized Education Plan (IEP.) A social skills component is a part of the special education program.

Compendium Program: Technical Violators Program (ATU-TOP)

Gender Specific for: BOTH

Description:

The Addiction Services Unit - Time Out Program (ATU-TOP) provides Substance Abuse Treatment for offenders returned to custody for non-compliance with the stipulations and/or conditions of their release from a DOC facility. ASU-TOP programming serves to reinforce the offender's foundation of substance abuse information, personal identification with recovery, and to motivate their continued use of formal and informal recovery support services upon their return to the community. The ATU-TOP uses two evidence-based; psycho-educational curriculum driven programs designed to help the offender identify the mechanisms which triggered their relapse into the use of Alcohol or other Drugs; enhance their recovery skills, and develop a plan for an on-going drug and crime free lifestyle. The ASU-TOP program will be delivered 5 times per week over the course of 3 weeks The Brief Substance Abuse Treatment Program shall be 15 sessions in length; the Intensive Relapse Prevention Program shall be 10 sessions in length. Participants will also complete the Job Center Program and the Reentry Workbook Program. Upon successful completion of TOP, inmates may attend Aftercare.
