**Compendium Program: Chronic Disciplinary Unit: How to Deal with Your Problems and How to Do Your Bid**

---

**Gender Specific for:MALE**

*Description:*

This is a group designed for inmates in the DOC's Chronic Disciplinary Unit. One of the problems that many inmates have in general, and restrictive housing inmates have in particular, is that they lack the skills necessary for problem solving. The first part of this class is designed to help inmates learn that not all problems can be solved and to assist them in approaching problems so as to (1) respond in the best way to the presented problem and (2) not to make the situation worse. In the second part of the class the inmates review a videotape which shows inmates who have completed a restrictive housing program. In that video the inmates discuss what they believe is necessary in order to "do your bid." The video serves as a stimulus for inmates to discuss how it is possible to live in a prison environment without getting into trouble.
