The Religious Services Unit is a single unit that is comprised of 37 chaplains from five (5) different religious traditions i.e. Catholic; Jewish; Muslim; Native American and Protestant. There is approximately one (1) chaplain from each tradition at every facility. The chaplains keep the facility in compliance with the agency's Administrative Directives mainly Administrative Directive 10.8 Religious Services. The chaplains provide religious services; programs; counsel and visit the housing units. They also complete required paperwork.

The student intern may assist with housing unit visits; paperwork; programs; visit Medical and Mental Health Units; visit Restrictive Housing Unit; learn from and interact with a variety of other staff; compile statistics and any other activity in which the intern may have an interest.

Minimum Qualifications required:

An open mind and respect of all religious traditions.
