

Re-evaluation of an Environmental Review

Grantee Name:		Date:	
Activity/Project Name:		Contract Number:	
Date of Original ROF:			

- Does the Grantee propose substantial changes made in the **nature, magnitude or extent** of the project, including **new activities not anticipated** in the original scope of the project?
(§ 24 CFR 58.47(a)(1)) Yes No
- Are there **new circumstances** and environmental conditions that may affect the project or have a bearing on its impact, such as **concealed** or **unexpected conditions** discovered during the implementation of the project or activity?
(§ 24 CFR 58.47(a)(2)) Yes No
- Does the Grantee propose the selection of an alternative **not in the original finding**?
(§ 24 CFR 58.47(a)(3)) Yes No

If the answer is “yes” to any of the above questions, the Grantee must re-evaluate the original environmental review and its determinations.

CONCLUSION:

- Based on the re-evaluation above, a new environmental review must be initiated.
- Based on the re-evaluation above, the original “Finding of No Significant Impact” remains valid and details have been attached to support the re-evaluation.

***By signing this report, I certify to the best of my knowledge that the report is complete and accurate. I affirm that the project has been determined to be covered by a previously issued Finding of No Significant Impact and that a re-evaluation and supporting documentation have been prepared per 24 CFR Part 58.47.**
