

*Owner Occupied and Scattered Site Rehabilitation Programs*

**ADDENDUM ACKNOWLEDGEMENT**

**Addendum # 2  
November 15<sup>th</sup>, 2017**

Project # 5057 Property Address: 33 Blair Street, Milford, CT

---

Addendum Description

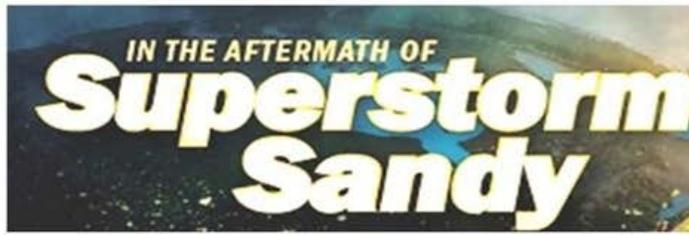

The addendum modifies the Bid Specification and Drawings prepared by Martinez Couch and Associates, LLC and Consultants to the following particulars;

Bidder Request for Information 1: Date: 11-14-2017

Shall the project be built using traditional stick framed construction methods or can the project be built with a modular home structure?

RFI – Response #1

To clarify, the structure may be constructed using traditional stick frame construction methods or the structure may be constructed using modular home company complying with the dimensions, framing, and complying with Connecticut codes with stamped and sealed drawings as indicated on the contract drawings. Roof trusses will not be accepted for the construction of the proposed roof system.
