

**East Hartford and Willington
Design-Build Bridge Bundle along I-84 and Route 2
Biweekly Look-Ahead
Period of October 12, 2018 to October 26, 2018**

Throughout the weeks covered by this look-ahead, The Middlesex Corporation, CTDOT's contractor for the Design-Build Bridge Bundle Project, will continue construction operations.

East Hartford

Work will be performed in the project area during the standard working hours of 7:00 AM to 5:00 PM.

During the week of October 15, top soil replacement and seeding, joint installation, and the cleaning and painting of girders will take place throughout the week. Lane striping will take place on Wednesday, October 17.

The opening of Bridge 02369 to traffic on Route 2 eastbound from the Founders Bridge is anticipated to take place during the period of this look-ahead.

Willington

The opening of the Potter School Road Bridge to traffic took place on Friday, August 24.

During the week of October 15, sealing of the bridge substructure, which began on September 26, will continue through Saturday, October 20.

Beginning on Thursday, October 18 and lasting through Saturday, October 20, top soil replacement and seeding, and paving in front of the median barrier on I-84 will take place. The project's field trailer will also be dismantled and removed on October 20.

Lane closures are necessary to create a safe work zone; drivers are asked to be aware of possible lane closures for their own safety and that of the project team. Please also note that all work is contingent upon the weather.
