

**East Hartford and Willington
Design-Build Bridge Bundle along I-84 and Route 2
Biweekly Look-Ahead
Period of October 26, 2018 to November 9, 2018**

Throughout the weeks covered by this look-ahead, The Middlesex Corporation, CTDOT's contractor for the Design-Build Bridge Bundle Project, will continue construction operations.

East Hartford

Bridge 02369, which carries traffic on Route 2 eastbound from the Founders Bridge, opened on schedule.

During the week of October 29, the Pitkin Street off-ramp will be restored to its pre-construction condition.

Willington

The opening of the Potter School Road Bridge to traffic took place on Friday, August 24.

During the week of October 29, top soil replacement and seeding, demolition of the project site trailer and site restoration will take place throughout the week. The sealing of the bridge substructure, which began on September 26, will also continue throughout the week.

Installation of the center barrier on I-84 will begin on Wednesday, October 31 and continue through Saturday, November 3. This work will resume on Monday, November 5 and continue throughout the week.

Lane closures are necessary to create a safe work zone; drivers are asked to be aware of possible lane closures for their own safety and that of the project team. Please also note that all work is contingent upon the weather.
