CONSTRUCTION DIRECTIVE

Construction Administrator

Contractor Evaluation Form Now Available On-line

This Directive supplements the Construction Directive issued August 20, 2020.
([CD-2020-5 Revised Contractor Evaluation Form.pdf](#))

The Contractor Performance Evaluators are to use the Contractor Evaluation Form that is available on line <https://contractorevaluation.dot.ct.gov/> and associated [Instructions Contractor Evaluations 8-2020.pdf](#). This Directive also supersedes CD-2017-3 which introduced the 2017 revised documents.

Field Staff may continue to use the Contractor Evaluation Form in Excel for active projects. New projects should commence with the web version of the evaluation form.

The revised Contractor Performance Evaluation Form, and the associated Instructions for Completing Contractor Evaluations are also available in the ProjectWise *04.1 - Construction Libraries\04.200 - Approved Forms and Inspection Checklists* folder ([Quick Start Contractor Ratings.docx](#))

The requirements for Contractor Performance Evaluations are addressed in Volume 1, Chapter 10 of the [Construction Manual Version 3.1, January 2020](#). The revised form and instructions referenced above supersede any conflicting guidance in Volume 1 Chapter 10 of the Construction Manual (version 3.1). Volume 1 Chapter 10 of the Construction Manual will be updated soon to reflect these changes. These changes are effective immediately.
