AASHTOWare Project Agency User Manual Version 2.0 Release

This Construction Directive establishes the AASHTOWare Project (AWP) Agency User Manual Version 2.0 dated March 2023. Version 2.0 includes changes to previously released sections as well as new sections covering other areas of AWP. All project information shall be entered into AASHTOWare Project in conformance with this manual to assure accuracy of data and reporting.

The AWP Agency User Manual Version 2.0 is available in the “Manuals and Guides” folder of the *Division of Construction Operations* SharePoint Site, at the following link: [AASHTOWare Project Agency User Manual.pdf](#)

Questions related to content of the User Manual should be forwarded to the AASHTOWare Support email box (DOT.AWP-Support@ct.gov).
