Implementation of Standard Specifications, Form 817

The Standard Specifications for Roads, Bridges, Facilities and Incidental Construction, Form 817 has been approved by the Federal Highway Administration (FHWA) in accordance with the CTDOT/FHWA Stewardship & Oversight Implementation Manual. A searchable PDF document is posted on the Department's Internet site "[Doing Business With CTDOT, Standards and Specifications](#)." A limited number of hard copy Standard Specifications, Form 817 books are being printed and will be distributed by the Standard Specifications Committee upon request.

Projects with Final Design Plan (FDP) dates of October 5, 2016 or later shall reference the Standard Specifications Form 817 in the Contract.
