FINAL DECISION

AUGUST 6, 2015

I. INTRODUCTION

A. APPLICATION

By application filed on February 18, 2015, with the Department of Transportation (hereinafter "department"), pursuant to Section 13b-103 of the Connecticut General Statutes, as amended, Thompson Ecumenical Empowerment Group, Inc. (hereinafter "applicant") located at 15 Thatcher Road, P.O. Box 664, North Grosvenordale, Connecticut seeks authorization to operate one (1) motor vehicle, having a seating capacity of eleven (11) adults or less, for the transportation of passengers for hire by virtue of a contract with, or a lower tier contract for, any federal, state or municipal agency between all points in Connecticut from a headquarters in Thompson.

B. HEARING

Pursuant to Connecticut General Statutes, Section 13b-103(a) (3), as amended, a public hearing on this application was held on July 23, 2015.

Notice of the application and of the hearing to be held thereon was given to the applicant and to such other parties as required pursuant to Connecticut General Statutes Section 13b-103(a)(1), as amended. Legal notice to the public was given by publication on the department's website.

A hearing officer designated by the Commissioner pursuant to Connecticut General Statutes Section 13b-17 conducted the hearing on this matter.

C. APPEARANCES

Donna Grant appeared pro se on behalf of the applicant. The applicant's address is 15 Thatcher Road, P.O. Box 664, North Grosvenordale, Connecticut.

II. FINDINGS OF FACT

1. The applicant is seeking to perform contract work to provide livery trips for the Department of Children and Families (hereinafter "DCF"). The applicant currently does not hold any livery authority.

2. The applicant has not yet submitted a signed executed contract with the Department of Children and Families to provide transportation services. DCF does not want to issue a contract unless the Department grants livery authority to the applicant. Once the applicant receives livery authority, DCF will execute a contract with the applicant within sixty (60) days.

3. Ann Adams, Director of Credentialing for the Department of Children and Families, testified in support of the applicant's request for authority for one (1) livery vehicle to provide transportation for DCF under contract.

4. The one (1) livery vehicle requested by DCF will service the northeast section of the state.

5. The northern corner of the state has very little, if any, public transportation.

6. The applicant plans to provide trips to and from afterschool programs and other requested transportation for DCF.

7. The applicant has cash of \$107,252, total revenue of \$951,687, account receivable of \$37,794, current assets of \$222,200 and equity of \$222,242.

8. The applicant has current liabilities of \$10,544.

III. DISCUSSION

The department has jurisdiction over each person, association, limited liability company or corporation owning or operating a motor vehicle in livery service, pursuant to Connecticut General Statutes Section 13b-102, as amended.

In determining whether a livery permit should be granted, the department shall take into consideration the present or future public convenience and necessity. The applicant must prove that the public's convenience and necessity will be improved by the proposed service. Additionally, the applicant must show the suitability of the applicant or the suitability of the management if the applicant is a limited liability company or corporation, the financial responsibility of the applicant, the ability of the applicant efficiently and properly to perform the service for which authority is requested and the fitness, willingness and ability of the applicant to conform to the provisions of the statutes and the requirements and regulations of the department thereunder, in accordance with Connecticut General Statutes Section 13b-103.

To show financial support, the applicant submitted information that the applicant has cash of \$107,252, total revenue of \$951,687, account receivable of \$37,794, current assets of \$222,200 and equity of \$222,242. The applicant has current liabilities of \$10,544. Based on the evidence presented, the applicant is financially viable to operate the proposed livery service.

Regarding the applicant's suitability, the applicant submitted a criminal record check for Ms. Grant which shows no convictions. Ms. Grant has business experience from running a non-profit organization to which this transportation component seems to be a natural extension. The applicant has shown the requisite suitability to be granted a livery permit.

The final element that needs to be proven is that there is an executed contract with the Department of Children and Families. Ann Adams testified as to the need for this livery service and the fact that an executed contract will be forthcoming once the department grants this livery application. Based on the evidence presented, the applicant will be granted the authority to operate the one (1) vehicle that DCF has requested.

The applicant must submit to the hearing officer an executed contract with the Department of Children and Families within sixty (60) days from the date of this decision or the durational authority granted will be revoked automatically without further hearing.
