Subject: Cribari Bridge in Westport

To Whom It May Concern in DOT:

Please do not enlarge or update the bridge.

I grew up on Oak Ridge Park (off Imperial Avenue which turns R onto Bridge Street) for 42 years and the past 10 years I have lived on the other side of the bridge at Riverside Ave Unit in Westport.

This part of Westport is BUSY as it is, and improving it to carry big trucks or more lanes will lead to more congestion.

Thank you for listening to my request and I will thank you even more if you keep the bridge "as is".
