The purpose of this meeting is to provide the community an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of the project will be to address structural deficiencies and load carrying capacity of the structure, repair and upgrade existing mechanical and electrical systems of this moveable bridge, improve bicycle passage over the steel open grid deck, and rehabilitate the fender system for marine traffic due to corrosion.

Right-of-way impacts associated with the proposed project are not anticipated.

Construction is anticipated to begin Spring 2026 based on the availability of funding, acquisition of rights of way, and approval of permit(s). The estimated construction cost for this project is approximately \$3.7 Million. This project is anticipated to be undertaken with 80% federal funds and 20% state funds.

Please register for the virtual public information meeting at [0058-0343 Mystic \(ct.gov\)](https://portal.ct.gov/dotmystic0058-0343). Registration is required to participate. Once registered, you will receive a confirmation email with a link to access the meeting.
