VIRTUAL PUBLIC INFORMATION MEETING

State Project No. 0173-0543

Installation of Centerline Rumble Strips on U.S. Route 1 (West Putnam Avenue) in Greenwich

Thursday, September 5, 6:00 p.m.

Register: <https://portal.ct.gov/DOT2024CLRS-Greenwich>

YouTube Livestream: <https://portal.ct.gov/ctdotvpimarchive>

The purpose of this meeting is to provide the community an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of the project is to reduce the number of roadway departure and head on crashes on state roads by systemically installing centerline rumble strips (CLRS) as roads are resurfaced. U.S. Route 1 (West Putnam Avenue) is receiving pavement resurfacing and the planned CLRS extents are from 320 feet north of Pemberwick Road to Brookside Drive.

Right-of-way impacts associated with the proposed project are not anticipated.

Construction is anticipated to begin in 2024. The estimated construction cost for rumble strips in this section of U.S. Route 1 is approximately \$7,000. This project is anticipated to be undertaken with 100% state funds with no cost to the town.

Please register for the virtual public information meeting at <https://portal.ct.gov/DOT2024CLRS-Greenwich>. Registration is required to participate. Once registered, you will receive a confirmation email with a link to access the meeting.

Members of the public can submit comments and questions during the two-week public comment period following the meeting. Please direct comments and questions by September 20, 2024 to: DOT2024CLRS-Greenwich@ct.gov and 860-594-2020
