INTRODUCTION

EJD Hauling LLC DBA College Hunks Hauling Junk and Moving (hereinafter “applicant”), is the holder of Certificate Number HG1796, last issued by the Department of Transportation (hereinafter “Department”) on July 11th 2018, authorizing them, subject to such regulations and conditions as the Department from time to time may prescribe, to operate motor vehicles in the transportation of household goods for hire, as a household goods carrier, over irregular routes between all points in Connecticut upon calls received from a headquarters in Hartford.

II. APPLICANT’S PROPOSAL

By Application Number (2110-TH-86-HG), filed on October 19th 2021, the applicant seeks Department approval to transfer its headquarters from Hartford to Bloomfield.

III. APPLICANT’S STATEMENT OF JUSTIFICATION

The applicant wishes to move their business to be closer to their customer base.

IV. FINDINGS OF FACT

The proposed location of Bloomfield does not have any other certificate holders and thus there is no opposition from any other existing operators in the headquarters town. Also, pursuant to Section 13b-391 of the Connecticut General Statutes (CGS), “When it appears that no household goods carrier service is being supplied over the route or routes applied for, public convenience and necessity shall be presumed to require operation of such service.”

It appears that by Department grant of the instant application, the applicant will be in a better position to operate a more efficient service for all concerned parties, thereby best satisfying the needs of public convenience and necessity.

V. CONCLUSION

Therefore, based upon the facts stated above, and pursuant to Section 16-304-F4 of the Regulations of Connecticut State Agencies, the Department hereby approves the transfer of headquarters of the authority granted under Certificate Number (HG1796) as proposed, from Hartford to Bloomfield, and Certificate Number (HG1796) is hereby amended and reissued in the following form:
