The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project is to address the structural deficiencies for both bridges to create new service lives and improve safety all roadway users.

Right-of-way impacts are associated with the proposed improvements including partial takes, slope easements, drainage rights of way, and temporary construction easements and rights.

Construction is expected to start spring 2028, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$30 million with 80% federal funds and 20% state funds.

The public can submit comments and questions during two-week public comment period following meeting. Direct comments and questions by Thursday, November 20, 2025, to DOTEnfield0048-0202@ct.gov or (860) 594-2020, or Francisco Fadul at Francisco.Fadul@ct.gov or (860) 594-2078. Please reference Project No. 0048-0202 in the email or voicemail.
