**Open forum for individual discussions with project staff will begin at 6:30 p.m.
Formal Design Presentation starts at 7:00 p.m.**

Learn More: portal.ct.gov/DOTGoshen0054-0087

The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A question and answer (Q&A) session will immediately follow the presentation.

This project will upgrade the existing circular intersection to a modern roundabout to improve traffic operation and raise safety standards for all users.

The proposed improvements will require two sliver property acquisitions that will be used for the construction of the new roadway geometry and sidewalk. Minor rights and easements may also be required and will be added as the design develops.

Construction is anticipated to begin fall 2027 based on the availability of funding, acquisition of rights of way, and approval of permit(s). The estimated construction cost for this project is approximately \$5 million. This project is anticipated to be undertaken with 80% federal funds and 20% state funds.

The public can submit comments and questions during two-week public comment period following meeting. Direct comments and questions by August 13, 2025, to DOTProject0054-0087@ct.gov, (860) 594-2020 or Joseph D. Arsenault, P.E. at (860) 594-3471 or joseph.d.arsenault@ct.gov.

ACCESSIBILITY

The meeting facility is ADA accessible.

For hearing/speech disabilities, dial 711 for Telecommunications Relay Services (TRS). Request language assistance from CTDOT's Language Assistance at (860) 594-2109 at least five business days before meeting.

Language assistance may be requested by contacting CTDOT's Language Assistance Call Line (860) 594-2109.

Requests should be made at least five (5) business days prior to the meeting. Language assistance is provided at no cost to the public and efforts will be made to respond to timely requests for assistance.

Individuals may also request that project information be mailed to them within one week by contacting Joseph Arsenault, Project Manager at DOTProject0054-0087@ct.gov or (860) 594-3471.
