Minutes of Virtual Public Informational Meeting

Present:

Gregory A. Funk – Connecticut Department of Transportation (CTDOT)
Christopher M. Patria – CTDOT
Lesgie M. Ruiz – CTDOT
Jack Carlson – CTDOT
Mark F. Levesque – Vanasse Hangen Brustlin, Inc. (VHB)
Jonathan J. Carelli – VHB
Approximately (1) public attendee

Presentation:

A presentation was delivered by Ms. Lesgie M. Ruiz and Mr. Jack Carlson from the CTDOT and Mr. Jonathan J. Carelli from VHB introducing the project, describing its purpose and need, reviewing existing site and structure conditions, providing an overview of the proposed replacement structure and adjustments to the vertical roadway profile, explaining the detour and duration, the need to temporarily and permanently relocate the overhead utilities, all environmental permits required, proposed right-of-way (ROW) impacts, as well as the construction cost and project schedule.

Adjournment:

The Project was well received by those in attendance and there were no questions from the public during the presentation or the question-and-answer session that immediately followed the presentation.

The meeting was adjourned at 7:26 p.m.
