VIRTUAL PUBLIC INFORMATION MEETING

State Project No. 0111-0127 – Replacement of Bridge No. 05350 – Bosworth Road over Mashamoquet Brook

Pomfret

Tuesday, June 25th, 2024 7:00 p.m.

Register: <https://portal.ct.gov/DOTpomfret111-127>

YouTube Livestream: <https://portal.ct.gov/ctdotvpimarchive>

The purpose of this meeting is to provide the community an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of the project is to replace the existing 28'-7" long single span bridge with a new 43-foot-long, single span bridge to address the poor condition of the existing bridge substructure due to observed undermining at the scour walls and abutments. This project will also eliminate the scour critical condition and improve the hydraulic performance of the bridge. The existing substandard bridge rail system will be replaced with one that meets current safety standards. Roadway access will be maintained with a 12-foot-wide temporary bridge utilizing temporary signalization and a one-way, alternating traffic pattern.

There are right-of-way impacts associated with the proposed improvements. The proposed bridge replacement will require a Partial Take (1 Property), Slope Easements (5 Properties), Temporary Construction Easements (4 Properties), and a Guiderail End Anchorage Easement (1 Property).

Construction is anticipated to begin Spring 2027 based on the availability of funding, acquisition of rights of way, and approval of permits. The estimated construction cost for this project is approximately \$3.47 Million. This project is anticipated to be undertaken with 80% federal funds and 20% state funds.

Please register for the virtual public information meeting at <https://portal.ct.gov/DOTpomfret111-127>. Registration is required to participate. Once registered, you will receive a confirmation email with a link to access the meeting.

Members of the public can submit comments and questions during the two-week public comment period following the meeting. Please direct comments and questions by July 9, 2024 to: DOT-FLBP@ct.gov and 860-594-2020 or Jeffery Organek, Jeffery.Organek@ct.gov; (860)-594-3582.

ACCESSIBILITY

This meeting will also be livestreamed on YouTube, and closed captioning will be available. Non-English translation options will be available on Zoom and YouTube. The recording will also be available on CTDOT's YouTube Virtual Public Information Meeting playlist: <https://portal.ct.gov/ctdotvpimarchive>

Persons with limited internet access, use the call-in number 877-853-5257 and enter Meeting ID 874 2845 3900. Persons with limited internet access may also request that project information be mailed to them within one week by contacting Jeffery Organek, Jeffery.Organek@ct.gov; (860)-594-3582.

Persons with hearing and/or speech disabilities may dial 711 for Telecommunications Relay Services (TRS).

Language assistance may be requested by contacting CTDOT's Language Assistance Call Line (860) 594-2109. Requests should be made at least five business days prior to the meeting. Language assistance is provided at no cost to the public and efforts will be made to respond to timely requests for assistance.
