

Members of the public are invited to

CONNECTICUT DEPARTMENT OF TRANSPORTATION

VIRTUAL PUBLIC INFORMATION MEETING

State Project No. 0134-0153 Rehabilitation of Bridge No. 07122

Town of Stafford

May 16, 2024 7:00 p.m.

Register: <https://portal.ct.gov/DOTStafford134-153>

YouTube Livestream: <https://portal.ct.gov/ctdotvpimarchive>

The purpose of this meeting is to provide the community an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Question and Answer (Q&A session will immediately follow the presentation.

The purpose of the project is to rehabilitate/remove the abandoned culvert that is under Route 190 to avoid future culvert failure and maintenance that may occur on Route 190. The project will consist of excavating the roadway in stages to remove the existing masonry arch that passes through the entire width of Route 190. This will be obtained by using shoulder and one lane closure at times.

There are right-of-way impacts associated with the proposed improvements, these impacts are on private property adjacent to the culvert.

Construction is anticipated to begin April 2025 based on the availability of funding, acquisition of rights of way, and approval of permits. The estimated construction cost for this project is approximately \$650,000. This project is anticipated to be undertaken with 100 percent State funds.

Please register for the Virtual Public Information Meeting at <https://portal.ct.gov/DOT/Projects/DOTStafford134-153>. Registration is required to participate. Once registered, you will receive a confirmation email with a link to access the meeting.

Members of the public can submit comments and questions during the two-week public comment period following the meeting. Please direct comments and questions by May 30, 2024 to: DOTProject0134-0153@ct.gov and (860) 594-2020 or Francisco Fadul, Supervising Engineer (860)-594-2078; Francisco.fadul@ct.gov).
