**CONNECTICUT DEPARTMENT OF TRANSPORTATION
VIRTUAL PUBLIC INFORMATION MEETING
State Project No. 0134-0155
Replacement of Bridge Carrying Stone House Road over Roaring Brook
In Stafford**

Tuesday, December 17, 2024, at 7:00 p.m.

Register: <https://portal.ct.gov/DOTSTAFFORD134-155.com>

This public meeting is being held to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project is to address deficiencies in the bridge, identified by recent inspections. Replacing the existing structure, that was originally constructed in 1958 and rehabilitated in 2002, will improve safety, and extend the service life of the structure.

Anticipated right-of-way associated with the proposed project will include one partial take, three permanent slope easements, one temporary construction easement, three right to construct driveways, and three right to install sedimentation control systems.

Construction is expected to start spring 2027, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$3.515 Million, with 80% federal funds and 20% state funds.

The public can submit comments and questions during two-week public comment period following meeting. Direct comments and questions by December 31, 2024 to DOT-FLBP@ct.gov, (860) 594-2020, or Michelle Rame, Michelle.Rame@ct.gov or 860-594-3319.
