Westbrook Town Hall, Multi-Purpose Room
866 Boston Post Road, Westbrook, CT 06498**

**Open Forum will begin at 6:00 p.m.
Formal Design Presentation starts at 7:00 p.m.**

Learn More: <http://portal.ct.gov/DOTWestbrook0154-0128>

The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

This project will increase safety for all roadway users by replacing the current bridge with a new structure, including sidewalks with ADA accessible ramps and wider roadway shoulders along both sides of Route 153.

Right-of-way impacts associated will require slope easements and a defined traffic easement for traffic signal equipment.

Construction is expected to start in spring 2028, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$34 million, with 80% federal funds and 20% state funds.

The public can submit comments and questions during the two-week public comment period following the meeting. Please submit comments and questions by Friday, December 26, 2025, to DOTProject154-128@ct.gov, or to Salvatore Aresco at (860) 594-3239 or Salvatore.Aresco@ct.gov.

ACCESSIBILITY

The meeting facility is ADA accessible.

Persons with hearing and/or speech disabilities may dial 711 for Telecommunications Relay Service (TSR). Language assistance may be requested by contacting the CTDOT Language Assistance Call Line (860) 594-2109. Request should be made at least five (5) business days prior to the meeting. Language assistance is provided at no cost to the public and efforts will be made to respond to timely requests for assistance.

Project information can be mailed within one week by contacting Salvatore Aresco at Salvatore.Aresco@ct.gov or (860) 594-3239.
