The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project is to involve systemically installing centerline rumble strips (CLRS) to reduce the number of roadway departures and head-on crashes.

Right-of-way impacts are not anticipated. Construction is expected to start in 2026, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$11,000, with 100% state funds.

The public can submit comments and questions during two-week public comment period following meeting. Direct comments and questions by Thursday, January 29, 2026, to DOT2026CLRS-Farmington@ct.gov or (860) 594-2020.
