

Members of the public are invited to

**CONNECTICUT DEPARTMENT OF TRANSPORTATION
PUBLIC INFORMATION MEETING
State Project No. 0171-0523
Traffic Control Signal Replacements in Central Connecticut
(Enfield, Hartford, Middletown, and South Windsor)**

Wednesday, July 15, 2026, at 6:00 p.m.

Learn More: portal.ct.gov/DOTCentralCT0171-0523

The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project is to replace aging traffic control signal infrastructure with new equipment to current standards in order to maintain reliable operation at project intersections throughout Central Connecticut.

Right-of-way impacts are expected to be minimal around new signal equipment and newly installed sidewalks at some project intersections.

Construction is expected to start spring 2028, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$13 million with 100% state funds.

The public can submit comments and questions during the two-week public comment period following the meeting. Please direct comments and questions by Wednesday, July 29, 2026, to Kaethe Podgorski at DOTSignalReplacements@ct.gov or 860-594-2189.

ACCESSIBILITY

Non-English language closed captioning will be available on YouTube. The recording will also be posted following the meeting in CTDOT's public meeting playlist at portal.ct.gov/ctdotVPIMarchive.

For audio only, call 877-853-5257 with Meeting ID 879 2971 2575. Project information can be mailed within one week by contacting Kaethe Podgorski at DOTSignalReplacements@ct.gov or 860-594-2189.

Individuals with hearing/speech disabilities can dial 711 for Telecommunications Relay Services (TRS). Request language assistance from CTDOT's Language Assistance at 860-594-2109 at least five business days before meeting.
